

BURN BABY BURN...

A million years ago...
Cavemen discovered Fire.

Today, Roxio has invented a new and improved way to Burn.

Why smolder when you can **Burn!**
Upgrading to Easy CD & DVD Creator 6 gives you total control with a totally new, interactive interface.

- Make your own movies and play them on your home DVD player
- Use the Media Player & Sound Editor for all your music needs
- Fix images and create photo albums
- Drag and drop files for **Burning**
- Create labels for your CDs & DVDs
- Backup, share and archive your important files and projects
- Encrypt Mp3s and transfer to a portable device and much more....

Capture, organize, edit, **Burn**, encrypt and share music, data, photo and video on CD or DVD.

It's never been easier and more affordable to upgrade your OEM version. Just visit our website for full details. Make sure you tell us to **Burn Baby Burn** in your email inquiry and you'll receive a \$30 rebate for Easy CD & DVD Creator.
